Alle patronen worden in verticale richting doorgestopt.
 Over een horizontale draad heen is 1 donker blokje.
 Onder een horizontale draad door is 1 licht blokje.
 De gekleurde blokjes laten 1 herhaalpatroon zien.

*All patterns are being 'woven' in vertical direction.
 For every dark square the yarn passes over the cloth, for
 every light square the yarn passes under the cloth.
 Coloured squares show 1 repeat of the pattern.*
